

Introduction

Below are proven ways to successfully promote and make money from the new *Get Affiliates Now* training program. For best results you can follow the outline exactly as it is presented and you will have enough promotional material for weeks.

Imagine if you used all of the promotional materials available for the next 28 days. How many new sales would you have? I know you would get 25, 50, 100, 250 or more. It's really up to you because all the tools are right here for you.

This report is broken down into two parts.

Part I

The first part is a suggested 28-day promotional guide. This guide will take you step-by-step and show you how and what to use to promote the GAN program. Don't worry. Each step will take you less than 5-minutes to complete!!! But the benefits will be huge if you follow them.

Part II

The second part is a detailed listing of other things you can do to market your affiliate link for the GAN program. Many of these will only take a few minutes to complete. We provided this list to you so you can print it and have easy access to it. So whenever you have a few spare minutes you can use it to go and promote your affiliate link and make some extra money.

Remember we use Clickbank for our affiliate program and all the affiliate tools are located at:
